

Looking for a new challenge? Want to drive excellence and quality improvement? Interested in new ways of working and portfolio career opportunities?

Salaried / Portfolio GP Opportunities

Up to 8 Sessions

Excellent pay and rewards

We are creating the future of patient centered primary care and we are calling all enthusiastic and ambitious clinicians to join our fantastic innovative multi-disciplinary team of GPs, APs, practice pharmacists and nurses.

We offer core General Practice alongside city-wide Extended Hours, Acute Home Visiting, Primary Care Streaming and Enhanced Care. We actively support portfolio working, your professional development and career progression.

You will demonstrate team spirit, compassion, humour and flexibility as a member of our friendly forward-thinking team.

Please contact claregibbons@nhs.net 07824 505218 to find out more.

Come and join us. Enjoy work. Enjoy life.
